Delphi Corp Case # 05-44481 filed October 8, 2005

Document # 14705 to cancel OPEB (health insurance benefits) for all retirees

Your Honor

Thank you so much for your patience in handling the Delphi Corporation bankruptcy case. Its been going on for more than 3 years.

I am an engineer and not a lawyer. So I am not able to file a motion to reject Delphi's motion to terminate healthcare like James R. Frost has done. A copy of his motion is attached. But I feel the way.

Your honor, the American jurisprudence system weighs what is just and fair. I appeal to you to uphold our tradition. I have 28 years with GM and 2 years with Delphi before I retired. There are over 15,000 retiree of pre-Medicare and Medicare age. All of them have been GM/Delphi employees for upwards of 45 years. It's hard to accept that we should be without health care.

Delphi is not removing health care from their union retirees. But the salary retirees have no representation and Delphi is taking advantage of them. Please don't let them do that to us.

I am therefore sending this letter of objection and ask that you reject it.

Respectfully,

Charles C. Chen
